On Monday, Matt Turner was named the Head Football Coach of Warren County High School by Executive Principal Jimmy Walker. Matt is and will continue to be a valuable asset for our students, our school, and our community. Matt has had a positive impact on many of our students, past and present. Matt is a tireless worker and will model the behavior he expects from our student-athletes as well as create a culture that promotes a strong work ethic, builds positive relationships, and helps develop the whole student. Matt's ability to motivate, encourage, and affirm young people is evident and has been expressed by numerous current and former student-athletes. There is no doubt Matt has the passion for football, but more importantly, he loves this community. His desire to mold young men we can all be proud of is unmistakable. Warren County and Warren County High School has a great leader guiding our football program and we are very excited.
